✕ Mykonos -Dragonisi OR Delos & Rhenia Cruise

Interests: sailing, nautical experiences, sea & sun activities, mythology, history

There is no better way to explore the hidden bays, secluded beaches, and historic islands around Mykonos than on board a boat. Once you meet your boat captain and a stewardess, the captain will briefly go over your daily itinerary and start your nautical adventure. Depending on sea conditions, you will be able to explore the southern shores of Mykonos, including Dragonisi (Tragonisi).

Accessible only by boat, Dragonisi or Tragonisi is an uninhabited private island a few miles southeast of Mykonos and has spectacular rock formations and caverns. It is a secluded refuge for monk seals and the area is under protection by the Natura 2000 project. Swim in the natural azure blue waters and enjoy the immaculate landscape, the serene atmosphere, and the feeling of being alone in the world. Alternatively, you can opt to visit Delos Island and the pristine Rhenia island right next to it. This historic island of Delos will take you back to the times of ancient Greece and its

myths. The name of the island is the antonym of “adelos” (invisible) in the ancient Greek language, and means “clear, brought to light, obvious or apparent”. Deserted nowadays, this unique island is prominent due to the Greek myth that claims that it suddenly appeared amidst the waves of the sea, when Leto was looking for a safe place to give birth to Apollo and Artemis, the famous twin Olympian Gods. You will then continue your journey towards Rhenia Island, a secret paradise that is little-known, even to Greeks, and whose history is closely related to that of the well-known Delos Island. You will stop for swimming and snorkelling at one of its many beaches, all of which are unexpectedly beautiful and blessed with crystal-clear waters. No matter which side of the island you decide to explore on the day of the cruise, you will be amazed by the beauty and tranquillity that Mykonos has to offer.
