

## **Dine in Capri 2022**

### **Michelin Star:**

- **[Mammà](#)** *Thanks to the new chef at the helm in the kitchen, the cuisine at this restaurant has become even more focused on simplicity and flavor, is full of color and features an interesting play of textures, all of which result in elegant and generous Mediterranean dishes. The setting is very much in harmony with the cuisine, offering a contrast between the light-colored decor and the blue of the ceramic tableware.*
- **[Ristorante D'Amore](#)** *Just a few metres from the town's famous piazzetta, along the picturesque street which leads to Tiberius's villa, D'Amore is a contemporary-style restaurant decorated in colours which echo those of the island and the sea. The menu features a selection of local recipes and Mediterranean dishes all reinterpreted in creative fashion by the chef. Beautiful outdoor terrace.*
- **[Ristorante Monzu](#)** *The views of Faraglioni, Capri and the sea, especially from the outdoor terrace, form much of the attraction of this restaurant, as do the romantic candlelit tables and the native chef who conjures up classic dishes from Campania reinterpreted with taste and imagination. Blazing sunsets and an evocative twilight ambience make the delightful Gin Club & American Bar Monzù terrace the perfect place to sip a cocktail while waiting for your table.*
- **[Ristorante da Tonino](#)** *Allow a good half-hour to get to this small restaurant with a simple ambience and an airy terrace which is perfect in the heat of summer. The cuisine has its roots in local traditions – its first courses are particularly good. There's also an excellent wine selection.*
- **[Gennaro Amitrano](#)** *Owner-chef Amitrano has moved from the centre of Capri to Marina Piccola, where his welcoming restaurant boasts beautiful sea views. Here he delights his guests with imaginative dishes full of flavour.*

### **Casual Dining / Drinks:**

- **[Ristorante Buca di Bacco](#)** *Italian, Pizza, Mediterranean, Seafood, Neapolitan cuisine*
- **[Da Paolino](#)** *Local cuisine, Italian, Neapolitan, Campania, Southern-Italian*
- **[La Campannina](#)** *Restaurant La Capannina is the undisputed reign of original island cooking. A place which unites Capri's gastronomic traditions with the heartfelt hospitality of the De Angelis Family.*
